

Dear REC Brothers and Sisters:

Appeal has gone out to contribute for our annual “Thanksgiving to Father’s Day” contributions to our retired clergy. First, I thank all of you who have given to this important benevolence. We learned at our last General Council that over \$40,000 has been given in recent years for distribution at Christmas time. Bless you for responding to such a real need among our retired clergy and the widows of those precious servants who are now with the Lord.

Second, I remind all of us that providing for the needs of those faithful pastors who have gone before us actually is part of obeying the fifth commandment. God calls us to “honor our fathers and mothers.” Historic and reformed catechisms, such as the *Larger Catechism* of the *Westminster Standards*, extend the application of this commandment to “spiritual fathers” in the Lord, pastors. Our retired ministers sacrificially gave their lives to nourish us as God’s children. It is therefore only right that we honor by providing what we can to help them as well as their widows. It is truly more blessed to give than to receive as Jesus Christ taught. Thank you for whatever you might be able to contribute to this worthy effort. Many blessings to you and yours.

In Christ,

+Ray
